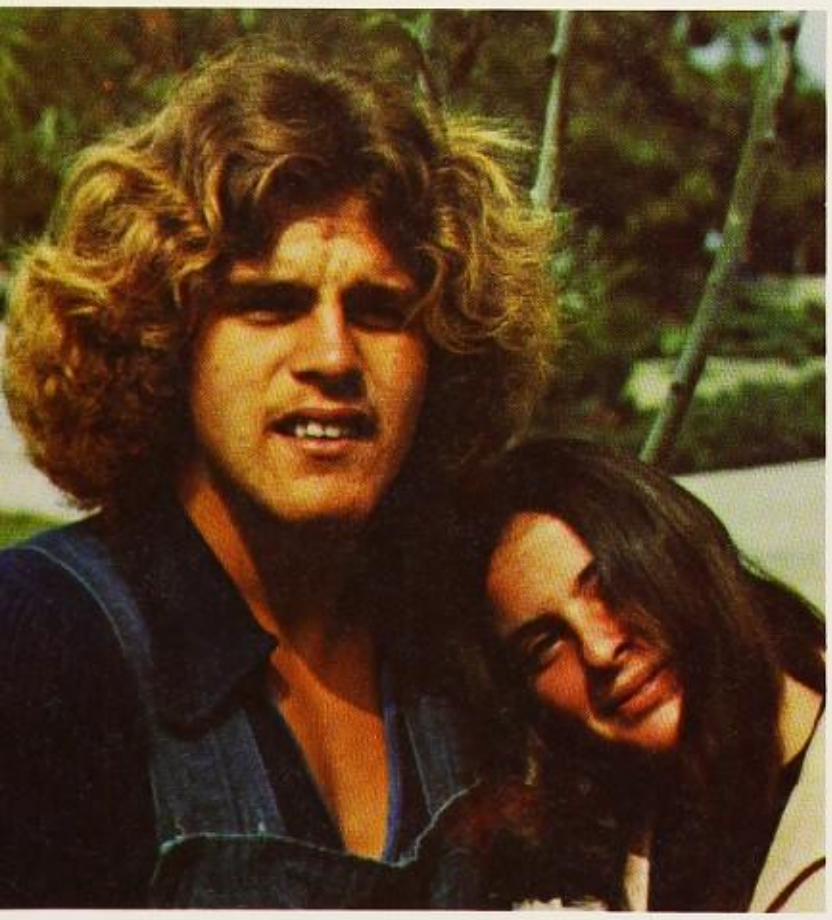
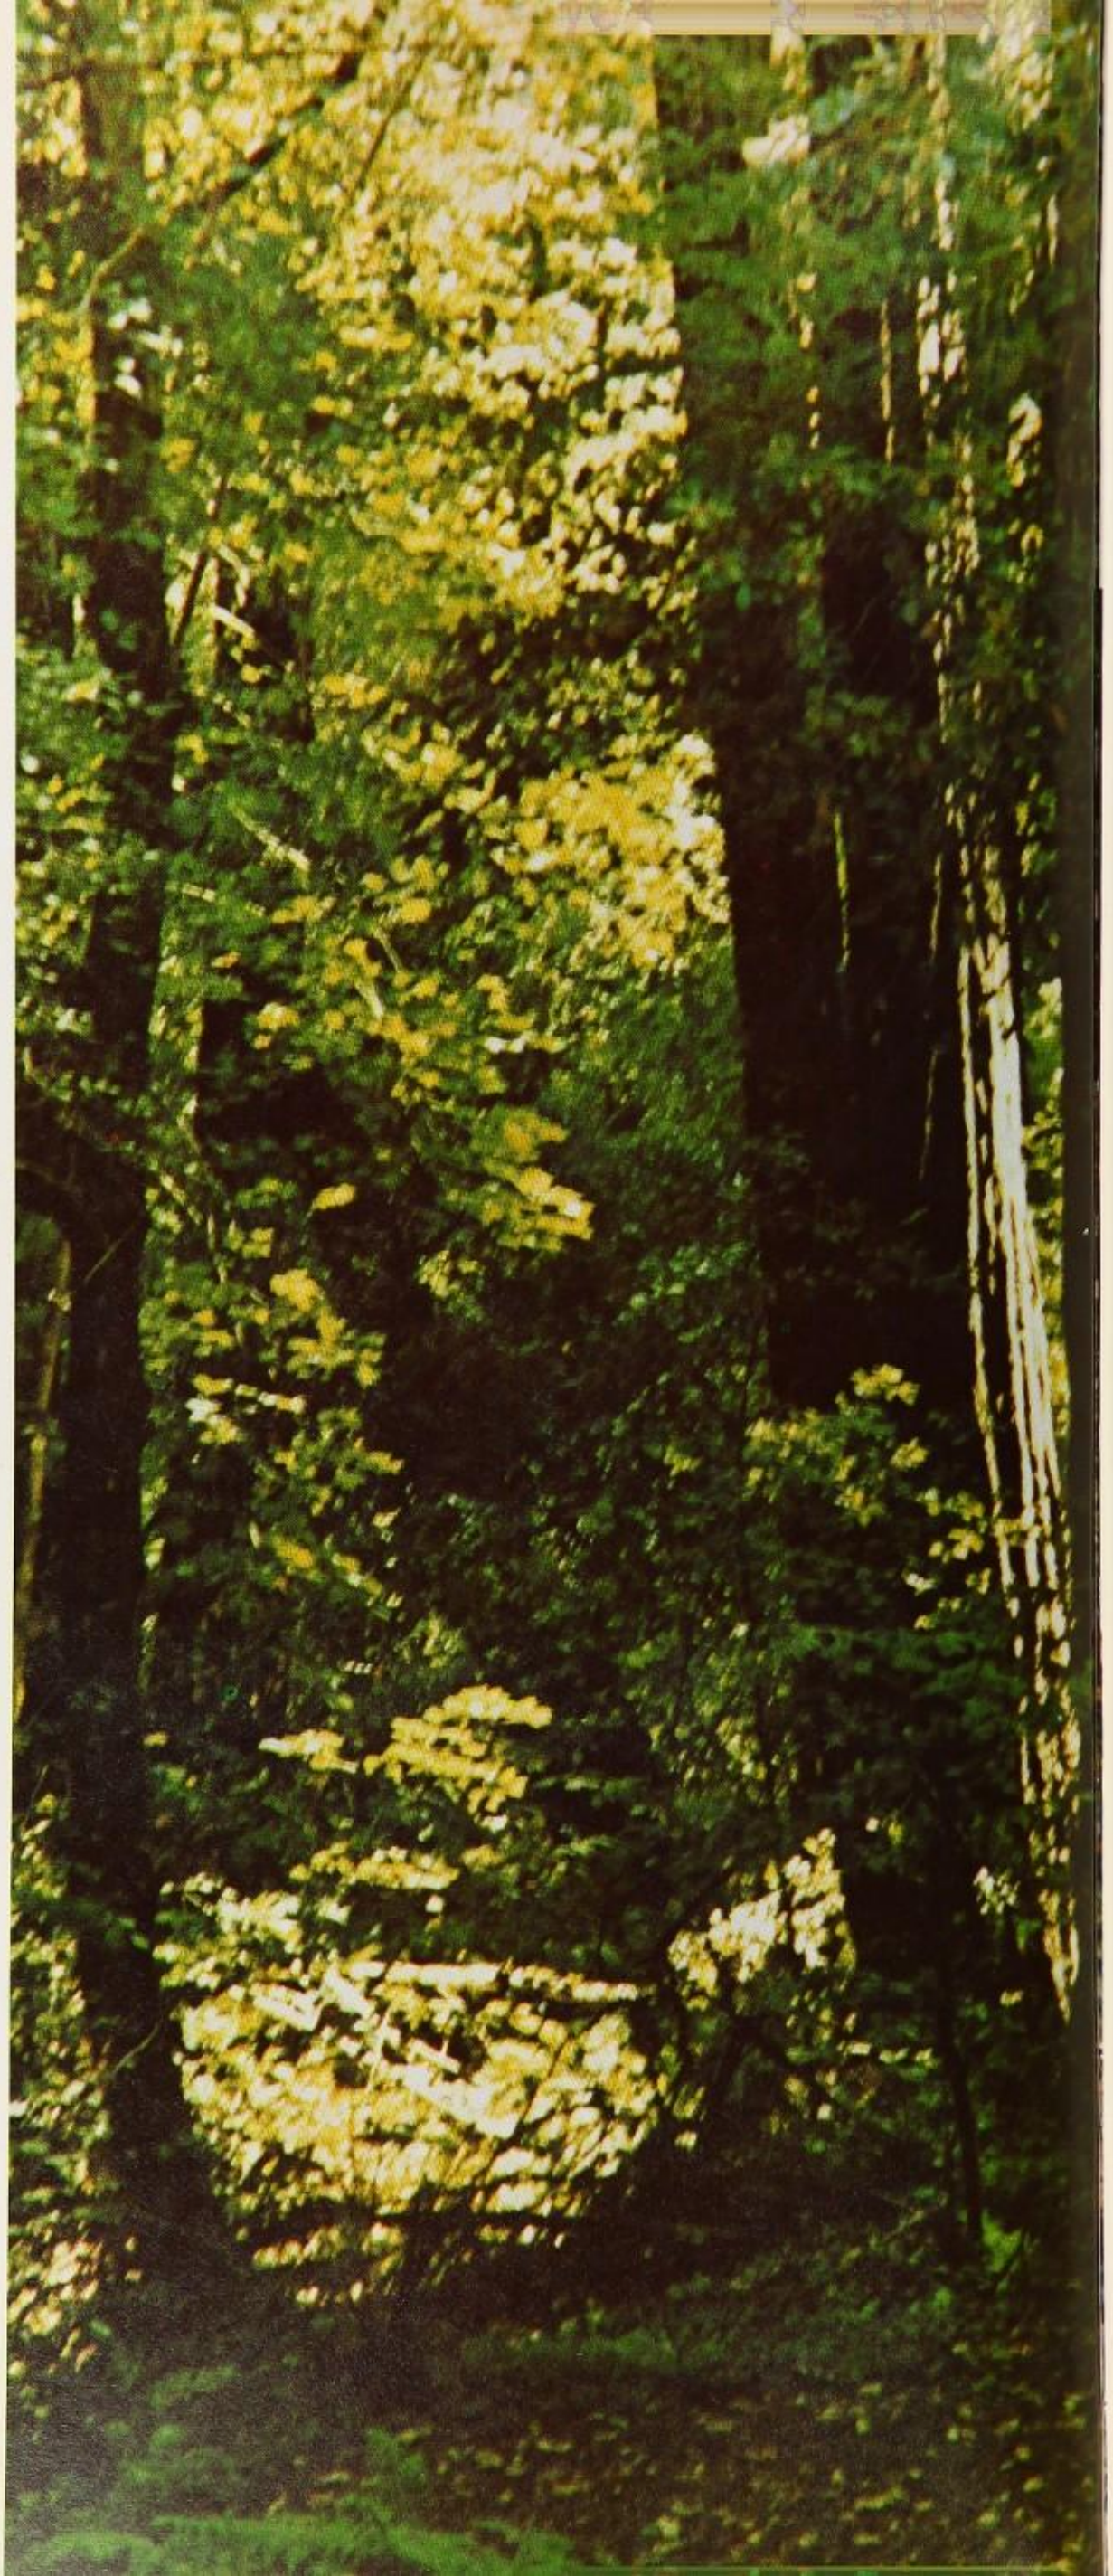
Sometimes voices in the night will call me
back again
Back along the pathway of a troubled mind
When forest tries to block the light that
keeps a traveller sane,
I'll challenge them with flashes from a
brighter time.

Joni Mitchell





If you'll smile at me I will understand
cause that is something everybody,
everywhere,
does in the same language.

David Crosby
Steven Stills

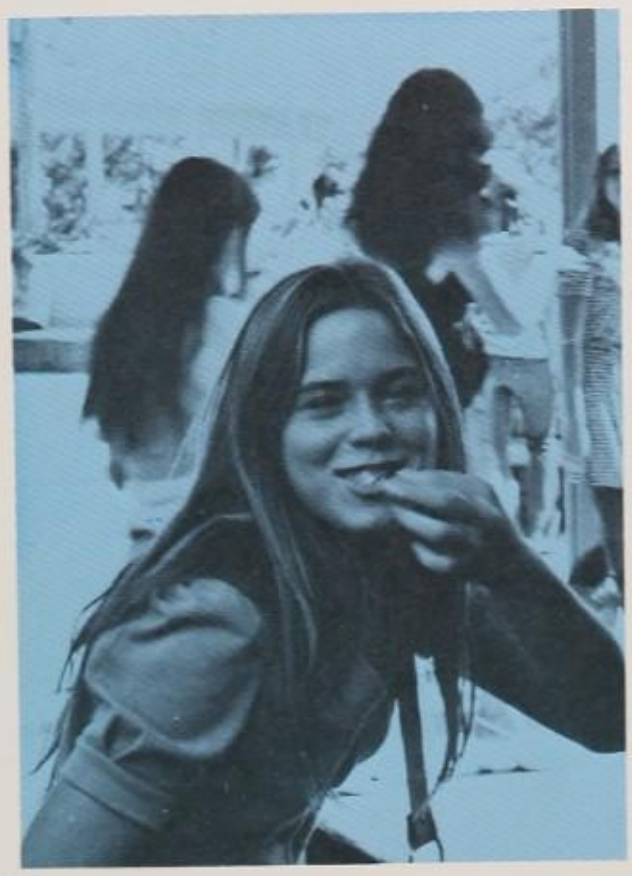
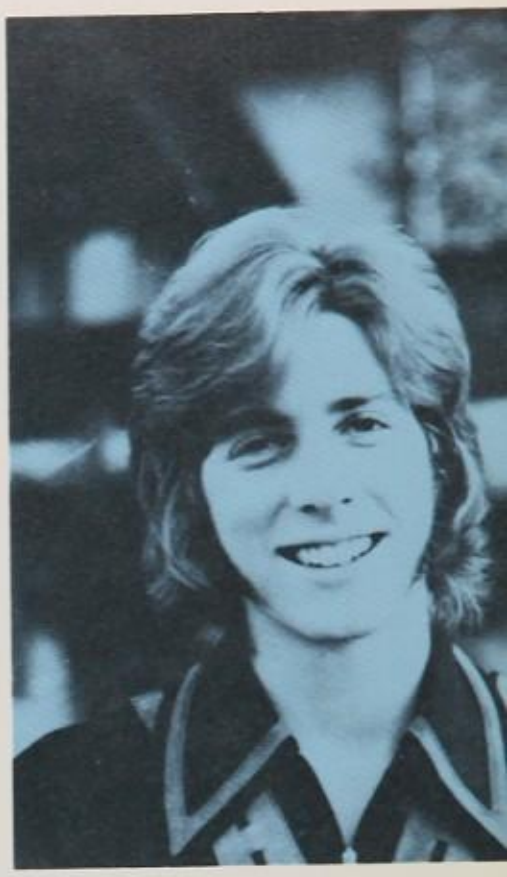
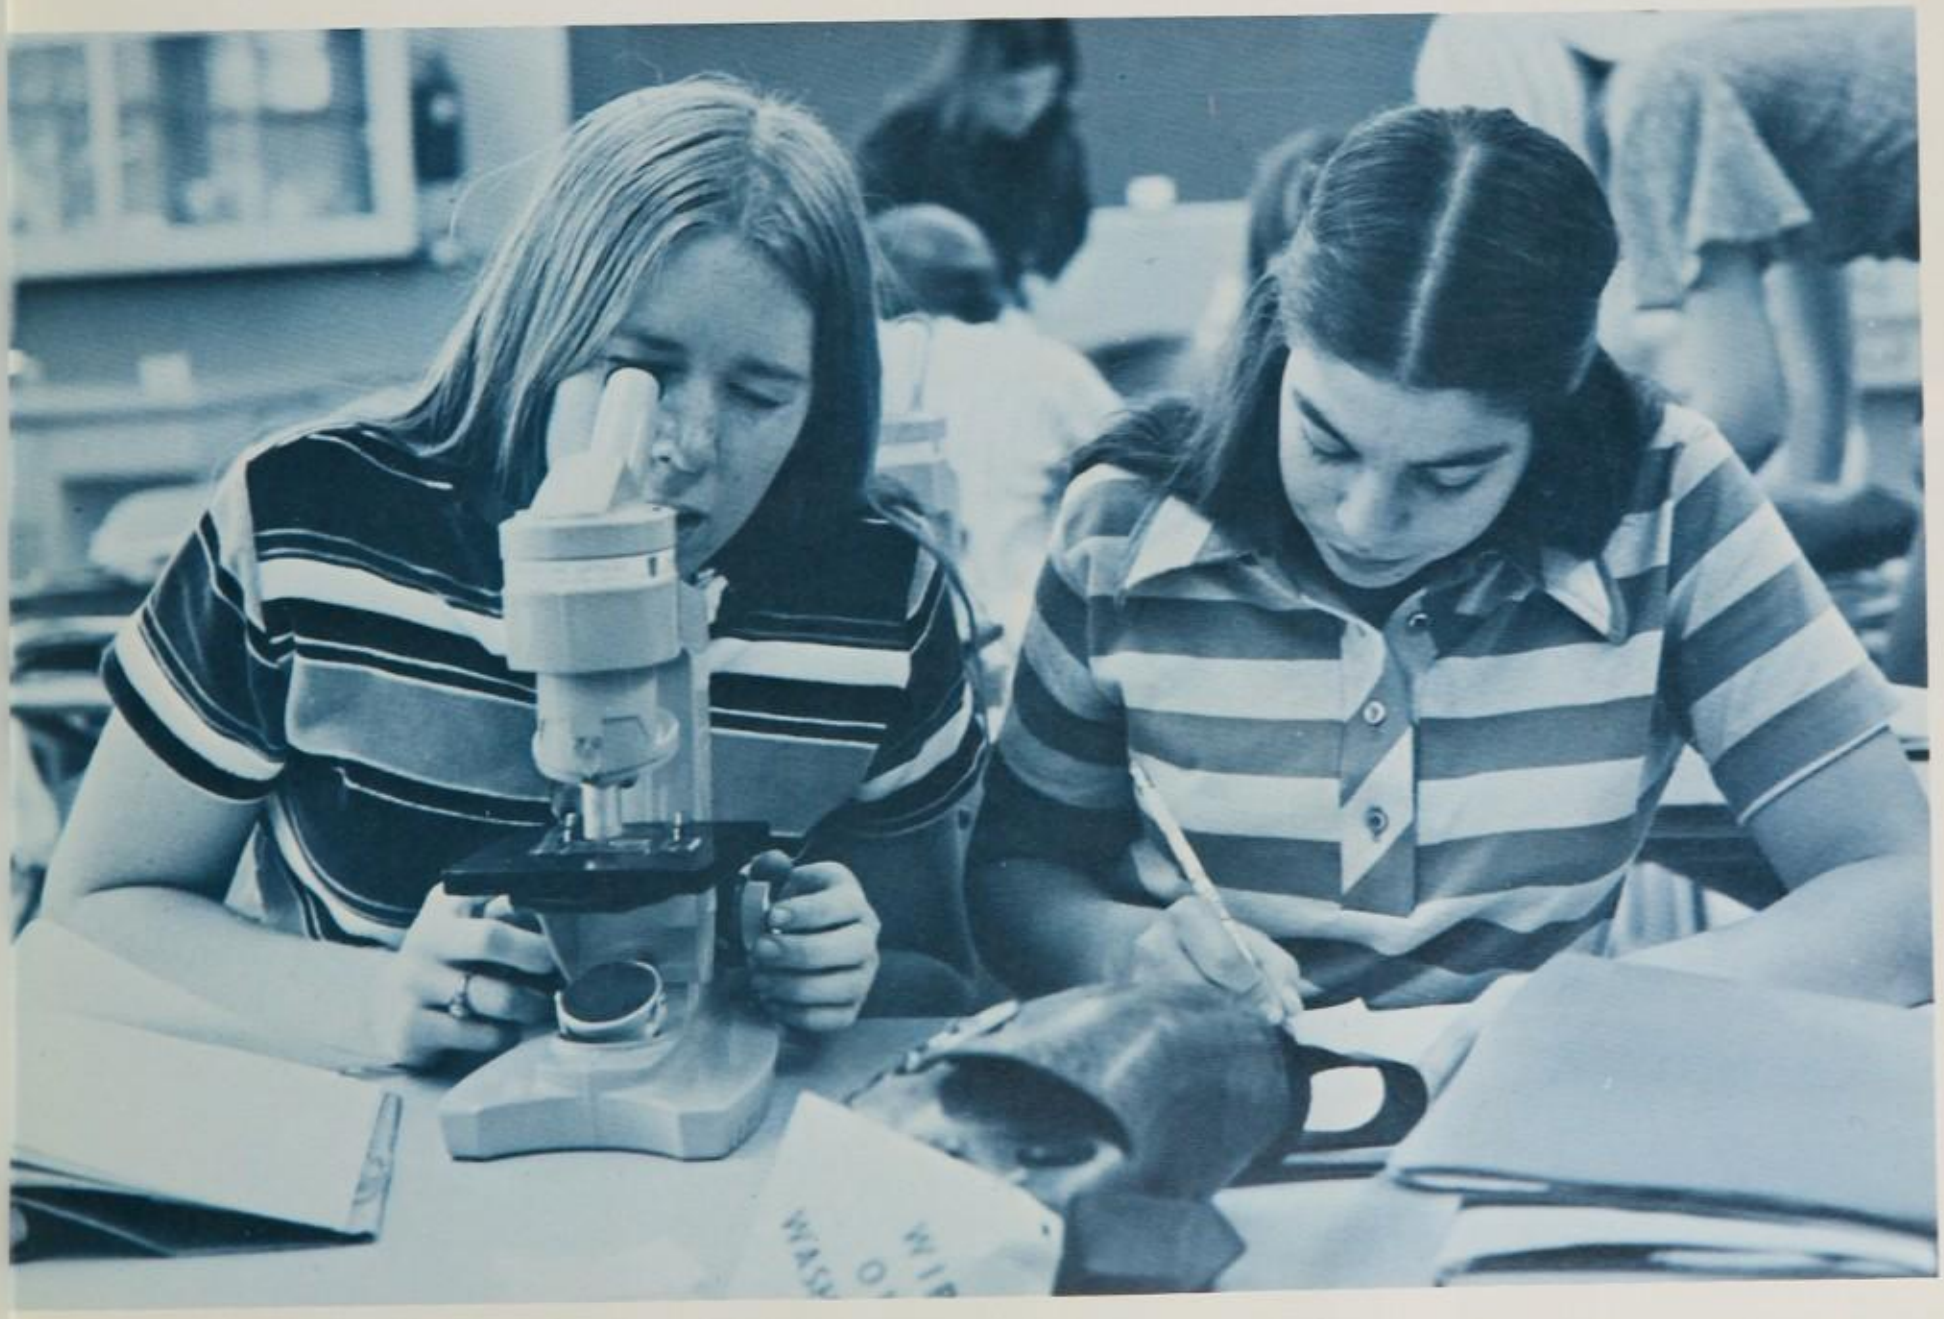
"... But now we have a reason to live—
to learn, to discover, to be free!
Give me one chance, let me show you
what I've found..."

Richard Bach
"Jonathan Livingston Seagull"







Sad deserted shore
Your fickle friends are leaving.
Ah, but then you know
It's time for them to go.
But I will still be here
I have no thought of leaving.
I do not count the time.
Who knows where the time goes?
Who knows where the time goes?
Sandy Denny
